## MISSION OF THE UNIVERSITY

La Salle University, dedicated in the traditions of the Christian Brothers to excellence in teaching and to concern for both ultimate values and for the individual values of its students, is a private Roman Catholic university committed to providing a liberal education of both general and specialized studies.

## MISSION OF ATHLETICS

La Salle University is a Roman Catholic institution of higher education with traditions of the De La Salle Christian Brothers. In that framework, the Department of Intercollegiate Athletics and Recreation of La Salle University is committed to both the spirit and principles set forth by NCAA, Atlantic 10 Conference, Metro Atlantic Athletic Conference and La Salle University regulatory guidelines.

The Athletic Department, through its intramural and intercollegiate programs, enables and encourages all students to participate in a wide variety of sports at many levels of competition. Values such as leadership, diligence, determination, and teamwork are emphasized. Good sportsmanship from its athletes and fans is supported.

The University strives to operate its athletic programs within the confines of a fiscally sound plan at a level of intercollegiate competition that is consistent with its philosophical objectives. La Salle University seeks to join other institutions with like commitments to institutional integrity, academic excellence, and to service the community.

## WHY WE'RE THE EXPLORERS

La Salle University's nickname - The Explorers - was erroneously bestowed by a sports writer covering a La Salle football game (La Salle played intercollegiate football from 1931-41 prior to program being revitalized in 1997) on campus sometimes during the 1930's. He thought that the school was named after the French explorer of North America.

In reality, the school was named after St. John Baptist de La Salle, the French educator and founder of the Christian Brothers. Despite the error, the nickname remained.

# LA SALLE RADIO NETWORK (LRN)

**Kale Beers** returns for his sixth season to broadcast men's and women's basketball as well as to serve as the coordinator of the La Salle Basketball Radio Network (LRN) and the "Voice of Explorer Basketball".

A 1995 graduate of La Salle University (B.A. Communication), Beers enjoyed his seven seasons in professional baseball. In those seven years, Beers has called games for teams in the Philadelphia Phillies, Cleveland Indians, Pittsburgh Pirates and California Angels minor league systems.

Beers learned the art and business of broadcasting rather swiftly as he created and formed the La Salle Basketball Radio Network from ground up just fifteen months after earning his degree from La Salle. In its five years of operation, the LRN has grown to broadcast nearly 40 men's and women's basketball games during the season and become a significant generator of income for the University in the nation's fourth largest media market.

Beers broke into professional broadcasting with stops at Burlington, NC (Rookie - Cleveland) of the Appalachian League. There he served as the Director of Broadcasting/Media Relations, and in Reading, PA (Class AA - Phillies) of the Eastern League where he earned his first on-air experience as a broadcast intern for the Phillies.

Beers' first taste of professional baseball came in 1994 when he interned for the Philadelphia Phillies during his junior year at La Salle. Beers would stay on for two additional seasons in the Phillies' Video Services Department and contribute to game day and external operations that included the Silver and Bronze - 1995 season highlight video and the 1996 Major League baseball All-Star Game.

Before going to Reading, Beers served as the Director of Broadcasting and "The Voice of the SeaWolves" for Erie, a Double-A affiliate of Major League Baseball's Pittsburgh Pirates. Kale's responsibilities for the SeaWolves included broadcasting every game, handling all baseball-related media requests and issues, producing all game broadcasts and overseeing broadcast relations. He assumed responsibility for the complete in-house production of the SeaWolves' annual Media and Information Guide which earned the Distinction of "Best in Class A" in 1998 - Beers' first effort at producing a media guide.

Besides providing play-by-play for the Explorers basketball teams, Beers is the Director of Corporate Sales and Broadcasting at La Salle University.

Beers was born in Emmaus, PA and is a veteran of the United States Army where he served six years (two of active duty) as a Cavalry Scout.

**Steve Degler** enters his fifth season as the color analyst on the La Salle Basketball Radio Network. Degler has also been the voice of the Reading Phillies for the past 10 seasons.

During his time with the R-Phillies, they have won the 1995 Eastern League Championship and in June, 1998 Baseball America ranked the city of Reading as the No. 3 Minor League Baseball City in the National Association of Professional Baseball Leagues.

Along with his work with the R-Phillies, Degler has worked over the last two years, as a fill-in as host of the pre- and post-game shows on the Phillies Philadelphia Phillies radio network. Degler has also worked for ten years as radio/TV broadcaster and public address announcer for football and basketball at Kutztown University.

Degler has been involved for 13 years as radio and TV broadcaster for high school and college soccer, football and basketball games in Berks, Lebanon and Schuylkill counties, calling numerous district and state tournament contests, including four state championship games.

He prides himself in the fact that he has broadcast nearly 1,300 consecutive Reading Phillies games from April, 1992, through May, 2001. With all of these baseball and basketball games under his belt, he has become a voting member for the John Wooden Award, given annually to the top men's college basketball player in the nation.

A 1988 graduate of Kutztown University, with a Bachelor of Science in Telecommunications, he and his wife, Karen, and daughters Sarah and Hannah reside in Hamburg, PA.

The makeup of the 2001-2002 La Salle women's basketball team will be different than previous years. Gone are five seniors that provided 66-percent of the team's offense last season. Gone are three seniors, who scored over 1,000 points, as Shannon McDade, Marjorie Rhoads and Jen Zenszer all reached that milestone last year.

Head Coach John Miller said, "This season is certainly going to be a challenge for the team and the coaching staff. Any time you lose five seniors, with three of those seniors being 1,000-point scorers, it really creates a big void that you have to try to overcome. The people that we have need to step up. Hopefully with another year of maturity under their belt we can go out and give it the best that we can."

Miller will look to his three returning starters, seniors Beth Hudak and Suzanne Keilty and junior Chrissy Walker, to provide experience and leadership to a group of young players. This Explorers team intends to improve on last year's 15-14 record and continue the winning tradition that has produced 14 winning seasons during the 15 years of Miller's tenure.

The Explorers will also be counting on the growth of junior guards Beth Mays and

Bonnie Randa, as well as sophomore forward Kathy Foley. The Explorers will also look for production from their newcomers. La Salle welcomes back Dana Gavaghan after a two-year absence and will add four freshmen to the rotation.

## BACKCOURT

Senior shooting guard **Suzanne Keilty** leads the returnees in the backcourt. A starter since her freshman season, Keilty is the Explorers top returning threat from behind the three-point arc. She provides La Salle with an all-around game, as she comes into the season as the team's best defensive player. She will be looked upon to contribute double-digit scoring and key three-point shooting this season. Last season, she was fourth on the team with an 8.6 scoring average and second with 37 three-pointers made. She tied her career-high with 20 points in an early season victory over Fairleigh Dickinson. Keilty comes into the season with 754 points, needing just 246 points to become the 18th player in La Salle history to eclipse the 1,000-point milestone.

Joining Keilty as a starter in the backcourt is junior **Chrissy Walker**. Walker became the point guard before last season and improved her game throughout the year. Walker's 5-11 height at the point and decision-making ability guided the Explorers offense. She finished the season with a team-high 108 assists, including career-highs of seven against both Duquesne and Fordham. On the defensive end, Walker led the team with 36 steals. She also finished in the top 15 in the Atlantic 10 Conference with a 1.2 assist-to-turnover ratio. She will be asked this season to increase her scoring output and become a reliable option on the offensive end.

**Beth Mays** will be expected to build on her experiences as both a starter and a reserve during her first two seasons to provide key contributions at the guard positions. The junior guard has the ability to run the offense from the point, as

*Beth Hudak*

she is a good ball handler with excellent court vision. Mays gives the Explorers another very good shooter with three-point range.

Junior guard **Bonnie Randa** is another player from whom the team expects a major contribution from this year. Randa is an athletic wing player who gives La Salle a legitimate three-point threat on the perimeter. Her athleticism is a tremendous asset on both the offensive and defensive ends of the floor. Randa opened last season with a career-high of 13 points against Rider and was third on the team with 12 made three-pointers.

## FRONTCOURT

The frontcourt took the biggest hit with the graduating class from last season, as the Explorers lost three contributing players. Senior forward **Beth Hudak**, who averaged 6.3 points-per-game and scored a career-high 14 points against Kent State, is the lone returning starter out of this group. Hudak became a starter last season and was in the lineup in all but the Senior Day game. She is the team's leading returning rebounder, as she pulled down 6.5 rebounds-per-game last season. She led the team in rebounding on eight occasions and grabbed over 10 rebounds in three games, including a career-

*Chrissy Walker*

will likely see a lot of time in the post this season. A native of Madrid, Spain, she is a athletic player with the ability to rebound and score. Garrido Sanz can score with her back to the basket and will while extend the opposing defense with her three-point range. Last year in high school at C.B. Majadahonda (Madrid), she averaged 18 points and 12 rebounds per-game.

The Explorer backcourt will add a talented duo with the additions of **Jill Marano** and **Meghan Wilkinson**. Marano, a 5-7 athletic guard, has the talent to play both guard positions. She played mainly point guard and dished out a school-record 480 assists over her career at Arundel High School in Maryland. She is also a terrific scorer and defender. In her senior season, she averaged 15.9 points and 6.7 assists.

Wilkinson is a terrific all-around player, who is very good with the ball and has the ability to get her teammates involved in the game. The 5-8 shooting guard is an excellent shooter and scorer with long three-point shooting range. She averaged 22.2 points and 5.4 rebounds per-game last year at Downingtown.

**Bridget Fox** will join the team as a walk-on freshman. The 5-8 guard averaged 12 points and four assists last season at Archbishop Ryan High School in Philadelphia.

The final newcomer to the La Salle program will not make her Explorer debut until the 2002-2003 season. **Ekaterina Markova**, a 6-3 junior forward, will have to sit out the season due to NCAA transfer rules. Markova is a post-player with good moves inside with both hands. She is also a good rebounder and shot blocker, who will use this season to practice to get ready for the Division I level. At Rosemont College, in suburban Philadelphia, she averaged 18.0 points, 13.5 rebounds and 3.3 blocks per-contest during her two years. Last year, Hoops.com named her to the All-American Fourth Team Division III.

### THE SCHEDULE

The Explorers 2001-2002 schedule will feature five teams that competed in the

NCAA Tournament, one team that played in the WNIT Tournament and two teams that finished in the USAToday/ESPN Top 25 last season.

La Salle will open the season at home with a game against St. Francis (NY) and a Big 5 game against Pennsylvania, who made it to the NCAA Tournament last season. After traveling for an intra-city game against Drexel, the Explorers will host Villanova in the second Big 5 contest of the year. The Wildcats are coming off a season where they made it to the NCAA Tournament and finished 24th in the final poll. After a tournament at Northwestern University, the Explorers will be on the road for games against Marquette and Delaware before finishing their non-conference schedule with a home game against Bucknell and the La Salle Invitational.

The Explorers will take part in two in-season tournaments this season. They will first travel to Evanston, Illinois to take part in the Northwestern Tournament. The team will open with a game against Houston on November 30. In the final round the Explorers will face either Northwestern or Hofstra. The Explorers will host their annual La Salle Invitational from December 29-30. The Explorers will attempt to repeat as champions against Colgate, Mount St. Mary's and St. John's.

After the New Year, the women's basketball team will begin the Atlantic 10 Conference schedule that leads up to the post-season tournaments. With Richmond joining the conference and the re-installation of the two-division format, the Explorers will have home-and-home series against Dayton, Duquesne, George Washington, Richmond and Xavier. Xavier finished the season ranked 9th and made it to the quarterfinals of the NCAA Tournament, while George Washington also made it to the NCAA Tournament. Against the East Division, La Salle will face Massachusetts, Rhode Island and St. Bonaventure at home. The Explorers will play Atlantic 10 and Big 5 rivals St. Joseph's and Temple, a WNIT participant, on the road, while also facing Fordham in New York.

high of 15 against George Washington. Hudak added an outside game last season and will be looked at to increase her scoring and rebounding numbers.

**Kathleen Foley**, a sophomore forward, is a talented athlete who is expected to be a key player in the post for the Explorers. Foley is a very good rebounder, who runs the floor well and will extend the defense with her inside-outside game. She showed her potential at the Division I level, as she scored a career-high eight points against nationally-ranked Xavier.

La Salle will also welcome back fifth-year senior **Dana Gavaghan**. Gavaghan, a two-sport athlete at La Salle during her freshman and sophomore seasons, has spent the past two years concentrating on soccer. Gavaghan, who averaged 0.9 points and 1.4 rebounds per-game during her two years on the team, is a solid rebounder and an excellent athlete.

### NEWCOMERS

With graduation taking five Explorers from last season, coach Miller will be looking at the incoming recruiting class to make an immediate impact on the program.

## JOHN MILLER

HEAD COACH

ST. CHARLES SEMINARY ('69)

16TH SEASON

John Miller is in his 16th season as the head coach of the La Salle University's women's basketball team, as the all-time winningest women's basketball coach in La Salle history.

Since becoming the sixth women's basketball coach at La Salle on May 2, 1986, Miller has recorded a 281-154 record. Those 281 victories equate for more than half of the Explorers' all-time win total. His .646 winning percentage is also second all-time at La Salle.

Miller ranks among the all-time women's basketball coaching leaders in victories and winning percentage.

In his 15 seasons at the helm, Miller has posted 13 winning seasons and one .500 season. Miller's 2000-2001 team ended with a 15-14 record, while finishing 8-8 in the Atlantic 10

Conference.

Miller picked up his 250th career win during the 1998-99 season when the Explorers defeated Fordham 58-46 in the Tom Gola Arena. Miller showed off his coaching expertise in that win, as the Explorers scored 13 points in the first half, then roared back to score 45 points behind 53.3% shooting from the field.

Miller's career at La Salle University began in the 1986-87 season. In that season, Miller only led the Explorers to a 21-7 record, a Metro Atlantic Athletic Conference (MAAC) regular season title and a co-Big 5 title. He was named the MAAC Coach-of-the-Year and the Big 5 Coach-of-the-Year.

Miller has reached the 20-victory mark six times and has closed two seasons ranked in the top 20 in the nation. At the close of the 1988-89 campaign, with a record of 28-3, the Explorers were ranked 18th in the final Associated Press poll. In the 1987-88 season, the Explorers ended the season ranked 20th in the Associated Press poll with a 25-5 record.

Under Miller's tutelage, La Salle has captured five Philadelphia Big 5 championships and four Metro Atlantic Athletic Conference (MAAC) regular-season titles. During his tenure, the Explorers have made two

NCAA Tournament appearances and one in the National Women's Invitational Tournament (NWIT) in Amarillo, Texas.

Miller has been honored as the Philadelphia Big 5 Coach of the Year and the MAAC Coach of the Year three times each and also has earned a Regional Converse Coach of the Year award.

During the 1990-91 season, Miller recorded his 100th La Salle win in a game that also was the 300th for the Explorers' women's program.

Before joining the La Salle staff, Miller coached extensively on the high school level. In 1976, Miller was named head coach of the Archbishop Ryan boys' team after serving as an assistant to "Speedy" Morris at

Roman Catholic for five years. During his nine-year stint at Ryan, Miller twice was named the Philadelphia Catholic League Coach of the Year. From Ryan, Miller moved to Monsignor Bonner for one season where he closed his high school career with 150 victories.

Off the court, Miller's players have excelled in the classroom. Since 1997, the team has posted the best grade-point-average in the Division I Women's Basketball during the 1997 and 2000 seasons, and they have finished in the top 10 in 1998 (2nd) and 1999 (7th). Over the last 15 seasons Miller has coached three Academic All-Americans, as Ben Zenszer (3rd Team) joined Jennifer Cole (1991-92 - 1st Team; 1992-93 - 2nd Team) and Mary Greybush (1990-91 - 3rd Team) in 2000-01. Miller has also coached numerous Academic All-Conference and All-Big 5 members during his tenure as coach.

Miller, a 1969 graduate of St. Charles Seminary, holds a Bachelor of Arts degree in Philosophy. In 1976, he obtained a Master's degree in

## TOM LOCHNER

ASSOCIATE HEAD COACH

TEMPLE ('89)

15TH SEASON

Tom Lochner brings experience and familiarity to the Explorers program, as he returns for his 15th season as the top assistant on John Miller's coaching staff.

Involved in all aspects of the Explorers program, Lochner's primary responsibility is the skill development of the guards. He, along with Chrissie Doogan, also coordinates recruiting, is extensively involved in game coaching, reviews game film, implements scouting reports during pre-game preparations. They both also work with the academic support staff regarding student-athlete progress and oversee the team's con-

ditioning program.

Lochner originally met Miller during the Final Four in 1987 and joined the Explorers coaching staff for the 1987-88 season. Lochner remained as an assistant coach until the 1998-99 season, when he was promoted to Associate Head Coach.

During his 14 years at La Salle University, Lochner has been part of 260 of Miller's 281 victories (260-147 overall record) and five out of Miller's six 20-win seasons. He has also been a part of three NCAA Tournaments, one WNIT Tournament and four conference and Philadelphia Big Five titles.

He previously coached the girls' basketball team at his Alma Mater, Bishop Gibbons High in Schenectady, NY, from 1980 to 1987. His first two years were spent teaching the junior varsity, followed by four years as the head coach.

During his head-coaching tenure, Bishop Gibbons' record was 88-13, and captured the 1986 New York State Championship (Large Division) with a 26-2 record. His team also won three sectional titles and Lochner was honored as New York State Section II Coach of the Year in 1985 and 1986.

In addition to coaching at the high school and college levels, Lochner has extensive summer camp experience, stressing fundamentals to the young campers. He coordinates Alumni and Booster fundraising and activities and also is actively involved in community

service for the basketball program.

Tom holds two degrees from Temple University, a Bachelor of Science degree in Physical Education/Athletic Administration (1989) and a Master's degree in Education (1996). He also has an Associate's degree in Marketing from Hudson Valley Community College in Troy, NY.

One of the all-time great women's basketball players in La Salle's history, Chrissie Doogan is now in her fifth season as an assistant coach on John Miller's staff.

Involved in all aspects of the Explorers program, Doogan's primary responsibility is the skill development of the forwards. She, along

She is also second all-time in scoring with 1,818 points, behind only Jenn Cole's 1,875. She also finished third all-time with 914 rebounds. During her four years she helped lead La Salle to a 79-36 record, which included a 20-win season in 1994-95 and a 21-win season in 1996-97.

Doogan was selected First-Team Atlantic 10 as a senior and a Second-Team Honoree as a junior. She was a three-time First-Team Big 5 selection,

La Salle opened the Atlantic 10 Tournament with a 75-62 victory over Fordham, before losing to Temple in the quarterfinals 76-69.

## **ZENSZER NAMED TO ACADEMIC ALL-AMERICA TEAM**

Jen Zenszer was named to the Verizon Academic All-America Third Team by College Sports Information Directors of America (CoSIDA). Zenszer, an Accounting major with a 3.97 GPA, became the third player in La Salle history to be honored as an Academic All-American. She joined Jennifer Cole, who was named to the first team in 1991-92 and the second team in 1992-93, and Mary Greybush, who was named to the third team in 1990-91.

## **RHOADS FIRST TO RECEIVE INDIVIDUAL A-10 HONOR**

When Marjorie Rhoads picked up the Sixth Player-of-the-Year Award, it marked the first time since La Salle joined the Atlantic 10 in 1996-97 that a member of the basketball team received an individual post-season honor from the Atlantic 10.

## **THREE EXPLORERS REACH 1,000-POINT MILESTONE**

For only the second time in La Salle women's basketball history, three members of the same class reached the 1,000-point milestone in the same season when Marjorie Rhoads joined Shannon McDade and Jen Zenszer on February 24, 2001. The only other time that occurred was the class from 1982-1986 when Linda Hester, Jill Crandley and Suzi McCaffrey all reached the milestone.

McDade was the 15th Explorer to reach the 1,000-point plateau and the first to reach the milestone since Chrissie Doogan (formerly Chrissie Donahue). She reached the milestone with a 17-point performance in a loss against Villanova on November 28, 2000.

Zenszer became the 16th player to reach the milestone in the win against Kent State on December 3, 2000 at the Wells Fargo Classic in Tempe, Arizona. Zenszer led the Explorers with a 15-point effort in the game.

Rhoads became the 17th-player in La Salle history to score 1,000-career points. Rhoads led the Explorers to a victory over Duquesne with 16 points on February 24, 2001.

## **WINNING THE LA SALLE INVITATIONAL**

The Explorers defeated Sacred Heart 59-55 on December 30, 2000 to win the La Salle Invitational for the first time since 1996-97. The Explorers

defeated Canisius 78-65 in the opening round on December 29, 2000 to advance to the championship game. Marjorie Rhoads was named the tournament MVP, while Shannon McDade was named to the All-Tournament Team.

## **JOINING THE LINEUP**

Coach John Miller rearranged the starting lineup by adding juniors Beth Hudak and sophomore Chrissy Walker to McDade, Zenszer and junior Suzanne Keilty. Hudak finished the season as the team's second leading rebounder at 6.5 per game, including a career-high 15 boards against George Washington. Walker became the point guard for the Explorers and dished out a team-high 108 assists and also led the team with 36 steals. Walker's addition as point guard moved Jen Zenszer to shooting guard, where she finished second on the team in scoring (11.9 ppg), assists (69) and steals (35), and third on the team in rebounding (5.0 rpg). McDade was the team-leader in scoring (12.0 ppg), rebounding (7.1 rpg) and with 13 blocked shots. Keilty was fourth on the team with a 8.9 scoring average. The new lineup gave the Explorers a chance to use experience off the bench with seniors Rhoads, Laura Newhard and Melissa Hindenlang seeing a lot of time. After starting for two straight seasons, Rhoads excelled in her new role. She was third on the team in scoring (10.7 ppg), steals (29) and assists (45). Newhard ended the season fifth on the team in scoring (7.4 ppg), while Hindenlang's 3.7 rebounds per game was fourth on the team.

## **SAYING GOODBYE TO THE CLASS OF 2000-2001**

The Explorers said goodbye to five players, who all left their mark in the La Salle record books. McDade finished her career ninth all-time in scoring with 1,298 points. She is the school's all-time leader with a 54.5 field goal percentage, and is also ranked tenth in rebounding (681), second in offensive rebounding (285), sixth in defensive rebounding (409) and sixth in blocked shots (65).

Zenszer became the Explorers all-time leader with 174 three-pointers made and 470 three-pointers attempted. She also finished her career with 1,290 points, which ranks 10th all-time. Zenszer is also eighth all-time with 74.9 free throw percentage, second with 454 defensive rebounds, 10th with 292 assists and eighth with 170 steals.

Rhoads finished her career 16th on the all-time scoring list with 1,041 points. She also finished with the fourth all-time with a 79.1 free throw percentage.

Melissa Hindenlang finished seventh all-time in defensive rebounding with 146 and offensive rebounding with 344.

Laura Newhard had to overcome various injuries during her five-year stint at La Salle. She left as the Explorers eighth all-time leader in blocked shots with 48.

After a season of celebrating 25 years of Atlantic 10 conference excellence, it is now time to start another chapter as the Atlantic 10 holdly embarks on the next 25 years.

The institutions which today make up the Atlantic 10 Conference are committed to providing a broad-based, competitive athletic environment without sacrificing the high ideals of scholarship and sportsmanship. The University of Dayton, Duquesne University, Fordham University, The George Washington University, La Salle University, University of Massachusetts, University of Rhode Island, University of Richmond, St. Bonaventure University, Saint Joseph's University, Temple University, and Xavier University each offer a rich blend of proud academic and athletic traditions to form an impressive athletic alliance.

If a conference bases its success on the achievements of its student-athletes and teams, then the 2000-01 season was a success. That success was highlighted by three men's and two women's basketball teams advancing to the NCAA Tournament. For the men, Saint Joseph's, Temple, and Xavier earned bids, with the Owls advancing to the Regional Final; for the women, George Washington and Xavier went to the tournament, with the Musketeers also advancing to the Regional Final. In addition, the Dayton and St. Bonaventure men advanced to the NIT, with Dayton reaching the quarterfinals, and the Temple women qualified for the WNIT. Other teams qualify for NCAA Tournaments last year include the George Washington men's gymnastics and women's volleyball teams; the Massachusetts field hockey, women's gymnastics, softball, and women's tennis teams; the Rhode Island women's gymnastics, men's golf, men's soccer teams; the St. Bonaventure men's tennis team; the Temple baseball and women's lacrosse teams; and the Xavier men's golf and women's soccer teams.

In all, 300 teams have represented the Atlantic 10 Conference in postseason play since the 1976-77 season.

Individual highlights include UMass swimmer Billy Town, Saint Joseph's cross country runner Karl Savage and cross country and outdoor track & field performer Christine Line participating in the NCAA Tournament; Atlantic 10 men's basketball Player of the Year David West earning Associated Press honorable mention All-America status, as did Xavier's women's basketball standouts Jennifer Phillips and Taru Tuukkanen; Massachusetts field hockey players Mike Bruemmer and Zowie Tucker garnering second-team All-America laurels; Rhode Island men's soccer player Nicholas McCreath earning third-team All-America honors, as did Rams' baseball player Mike LaBarbera by the American Baseball Coaches Association; Kevin Kirkby of Saint Joseph's being named third-team All-America by the National Collegiate Baseball Writers Association; Molly Mueller of George Washington and Sarah Pollman of Massachusetts earning second- and third-team All-America honors, respectively, from the Collegiate Rowing Coaches Association; and Fordham's Andrew Paolillo and Eric Wilson of St. Bonaventure being named to the Louisville Courier-Journal Freshman All-America baseball team.

Atlantic 10 student-athletes excel in the classroom as well. The Atlantic 10 sponsors several academic awards programs, including Academic All-Conference teams in each of 18 sports and the Commissioner's Honor Roll, which honored an Atlantic 10 record 1,562 student-athletes with a 3.0 grade point average or better this past year. The league also selects a male and female Scholar-Athlete of the Year, and awards a pair of postgraduate scholarships to both male and female student-athletes who express a desire to continue their education.

Numerous Atlantic 10 student-athletes earned

Academic All-America recognition in 2000-01, including first-team honorees R.J. Kazuba (men's soccer) of Dayton; Thomas Blankvoort (men's golf) of George Washington; and Kevin Kirkby (baseball) and Jim Reilly (baseball) of Saint Joseph's. In addition, La Salle had the highest grade point average of any women's basketball team in the nation.

The genesis of this tradition of success can be traced to

tion in May 1986 after serving as interim commissioner following Theokas' departure. In eight years as commissioner, Bertovich expanded the Conference staff to better meet the growing needs of the membership and established the Atlantic 10 Television Network, which has developed into a major regional outlet and has won three Emmy Awards. In addition, he oversaw further membership changes as Xavier was added to the league while Penn State, Rutgers, and West Virginia left.

Furthermore, he continued the league's emphasis on broad-based programs as the Atlantic 10 expanded its championship list with the additions of women's cross country, field hockey, men's and women's soccer, women's swimming & diving, and men's and women's indoor track & field, as well as the reinstitution of men's swimming & diving.

On April 13, 1994, Bertovich resigned his position to accept the job of vice president and general manager of Empire Sports Network in Buffalo. On June 14, 1994, Linda Bruno was officially introduced as the Atlantic 10's fourth commissioner. As commissioner, Bruno has strengthened the Atlantic 10's membership with the additions of Dayton, Fordham, La Salle, and Richmond, thus assuring the Conference's future. Bruno also negotiated a pair of television deals with ESPN which provides greater exposure for the Atlantic 10's athletic programs. She relocated the league office to Philadelphia, placing it in the center of the Atlantic 10's geographic footprint. Under her leadership the Atlantic 10 has increased its championship schedule to 22 sports with the additions of women's rowing, men's and women's outdoor track & field, and women's lacrosse. Bruno also spearheaded the league's entrance into Division I football with the formation of the Atlantic 10 Football Conference in 1997. In addition, in an effort to recognize the athletic and academic achievements of all student-athletes, Bruno instituted the Commissioner's Honor Roll, which cites every Atlantic 10 student-athlete with a 3.0 gpa or better.

The Atlantic 10 Conference will crown champions in 22 sports this season: baseball, men's and women's basketball, men's and women's cross country, field hockey, men's golf, women's gymnastics, women's lacrosse, men's and women's indoor and outdoor track & field, women's rowing, men's and women's soccer, softball, men's and women's swimming & diving, men's and women's tennis, and women's volleyball.

March 2, 1975, when eight university representatives met in Harrisburg, PA, to discuss the formation of a new collegiate basketball association. A similar meeting was also held on May 23 of that year with the final formation of the Eastern Collegiate Basketball League announced on August 13, 1975. The NCAA granted allied affiliation status upon the ECBL on October 15, 1975 and granted the league an automatic berth to the NCAA Tournament on June 17, 1976.

The ECBL began operation at the start of the 1976-77 season with Duquesne, George Washington, Massachusetts, Penn State, Pittsburgh, Rutgers, Villanova, and West Virginia as its charter members. Several changes happened quickly in the ECBL, the first coming in 1977-78 when the league changed its name to the Eastern Athletic Association - better known as the Eastern 8 - to reflect its changing mission. That year, the Eastern 8 became more than a basketball league as the men's sports of baseball, cross country, golf, swimming, and tennis were added to the championship schedule.

The next major change came in 1981 when the office of the commissioner was instituted. Leland Byrd, who had served as president and executive director of the league since its inception, as well as athletic director at West Virginia, was named the Conference's first commissioner and established the commissioner's office in Pittsburgh. Byrd guided the Eastern 8 through several membership changes as Rhode Island, St. Bonaventure, Saint Joseph's, and Temple replaced Pittsburgh and Villanova on June 19, 2001. After membership stabilized, the Eastern 8 transformed into the Atlantic 10 Conference with Byrd orchestrating the drive to make the league more broad-based as the women's sports of basketball, gymnastics, softball, tennis, and volleyball were added to the championship slate.

In May 1984, Byrd resigned as commissioner and was replaced by Charlie Theokas, who remained at the Atlantic 10 for 15 and a half months, bringing the league to national consciousness with his "Think Atlantic 10" campaign. On December 31, 1985, Theokas resigned to accept the athletic director's position at Temple and was replaced by Ron Bertovich, who officially assumed the commissioner's post

## The Philadelphia Big 5 has one of the most unique college basketball traditions in the country....

The Big Five is comprised of five colleges in the Philadelphia area - LaSalle University, Temple University, the University of Pennsylvania, Villanova University, and St. Joseph's University. For more than twenty years, the women of these five illustrious city schools have been battling each other for the City Championship. These highly anticipated games carry great importance among coaches, players and fans of the local schools.

While the men's teams have battled since the 1955-56 season it was not until the late seventies when the women began doing the same.

In 1979, the Philadelphia Big Five universities agreed to expand the round-robin play to crown a City Series basketball champion for the women, independent of the men.

While the teams had more or less played in the format since 1973-74, the actual restructuring of the Big Five Offices to include the administration and promotion of the women did not come until 1989, when four of the five teams advanced to the NCAA tournament.

Carolyn Schlie Femovich, then-chairperson of the Women's Big Five, announced that Dan Baker, executive secretary of the Big Five, would coordinate events such as television and radio exposure, the Women's Hall of Fame, pre- and post-season luncheons, dinners and other media events, and varying promotional activities.

One of the first acts was to arrange for Women's Series games to be telecast on PRISM. The union of these schools in such a unique setting has contributed to the ever-increasing popularity of women's basketball in the city of Philadelphia.

# THE UNIVERSITY

# LA SALLE AND PHILADELPHIA

La Salle University is a private, comprehensive, coeducational institution committed to academic excellence and individualized attention in a values-oriented, inter-faith educational community.

Consistently ranked among the nation's top schools by U.S. News & World Report, Barron's, Money magazine, and The New York Times, La Salle has evolved from a liberal arts college into a comprehensive university of increasing national prominence.

Established by the Christian Brothers in 1863, La Salle is one of the oldest independent Roman Catholic institutions in the nation. It traces its roots to the patron saint of teachers, John Baptist de La Salle, a priest and educational innovator who founded the Christian Brothers in 17th century France. For over 300 years, the order has been known for its dedicated teaching and devotion to students.

As one of seven Christian Brother colleges and universities in America, and 72 around the world, La Salle prepares students for careers, enhances professional capabilities, and promotes personal growth in the unique Lasallian tradition.

Starting out as a one-building academy in downtown Philadelphia, La

Salle is now located on a picturesque 100-acre campus in Northwest Philadelphia - just six miles from the cultural, social and historic attractions of Center City. Two convenient satellite campus sites are located in Northeast Philadelphia and Newtown, Bucks County.

In an area increasingly dominated by large public institutions, La Salle's small class size and intimate campus provide the ideal environment for friendly student-teacher interaction and individualized attention.

With approximately 4,100 undergraduate and 1,500 graduate students, most classes average 20 students with a student-faculty ratio of 14-to-1. Day and evening faculty number some 400, and the University offers concentrations in close to 60 academic areas.

In addition to the undergraduate degree programs offered in the School of Arts and Sciences, Business Administration, Nursing, and Continuing Studies, La Salle offers 10 Master's degree programs and a Doctoral program that was introduced in 1998.

More recently, the University has launched a series of new undergraduate programs in a continuous effort to integrate the latest technology into the curricula. These include DArt (Digital Arts and Multimedia Design), ISBT (Integrated Science, Business and Technology), the E-Commerce Institute, and Speech-Language-Hearing Science.

*Philadelphia is an important part of the La Salle University Experience.*

A nationally-recognized Honors Program, praised by the National Collegiate Honors Council for being "a very special sort not available to larger, general universities," is available for La Salle's most gifted learners.

La Salle students come from more than 700 public and private schools from 25 states, mostly in the northeastern part of the United States, and from approximately 20 foreign countries. The University confers more than 1,100 degrees annually.

Academically, La Salle's graduates have distinguished themselves in the nation's best graduate, law, and medical schools. And they boast an extraordinary record for winning Fulbright Fellowships and other prestigious postgraduate awards. Over the past 20 years, 96 percent of those students who were recommended by La Salle were offered entry into medical schools. And a national survey ranks

areas, a sauna, squash courts, and a medical training area.

Having grown considerably in the last decade, La Salle looks forward to a future built on commitment to quality education, service to students, and overall excellence.

The Philadelphia region offers a unique blend that incorporates strong academics as well as a diverse atmosphere in which to apply the knowledge that is attained from a La Salle education. The large market surroundings also provide a plethora of opportunities in the working world, the classroom and the community.

Among several recent on-campus developments is the \$6.3 million renovation of the Hayman Center, home of La Salle's athletic department. This facility showcases the 4,000-seat Tom Gola basketball arena, a 1,700-seat Olympic-size swimming pool and diving area, three regulation-sized basketball courts, weight training and exercise

## WHY CHOOSE LA SALLE?

We could easily come up with hundreds of reasons why you might want to consider La Salle. Still, there are some reasons that keep coming up when we ask our current students why they chose La Salle.

### Here's the top ten list:

10. The high achiever has competition, the underachiever has motivation and the average student has the attention of an interested faculty.

9. We're a Catholic, Christian Brothers university. (The Christian Brothers Order was founded to teach.)

8. We offer lots of internship and coop opportunities. (That's unusual for a largely liberal arts university.)

7. We're located in Philadelphia, one of the largest and most exciting cities in the nation.

6. Our graduates are very successful in finding placement in jobs and in top graduate schools (especially law and medicine).

5. The campus is very pretty

4. Our classes are very small, averaging about 20 students.

3. With an undergraduate enrollment of 3,200 and 39 majors to choose from, we're large enough to offer a wide variety of academic programs but small enough to offer the personal attention (especially on choosing a major) that many students want.

2. We care as much about your personal development as we do about your professional development.

1. The faculty is simply outstanding as teachers, mentors and friends.

When our students and alumni talk about La Salle, they use words like "challenging," "fun," "friendly" and "life-changing." As one stated, "La Salle makes the individual feel as though he or she has actually received full value for the money spent."

## GOALS & OBJECTIVES

The primary goal of the Academic Support Services for Student-Athletes Program is to provide appropriate and comprehensive academic and personal support services for all student-athletes in the areas of academic advising and counseling.

1. To provide a program and environment in which student-athletes can become efficient students through academic programming.
2. To maximize the academic and athletic potential of student-athletes through academic programming.
3. To provide the means by which student-athletes can accept full responsibility for their educational planning and academic progress through academic programming.
4. To assist student-athletes in identifying academic and career goals through academic programming.
5. To assist student-athletes in or by fostering independence and growth through academic programming.
6. To assist student-athletes in their progress toward graduation through academic programming.
7. To assist student-athletes in balancing and managing the demands of participating in intercollegiate athletics.
8. To inform student-athletes of policies, rules, and regulations established by the University, Atlantic 10, the MAAC and NCAA through academic programming and the publication of the La Salle Student-Athlete Handbook.
9. To assist new student-athletes in making a successful transition to the collegiate environment.
10. To help student-athletes bridge the gap between student life and professional life through the La Salle CHAMPS/Life Skills Program which emphasizes the following five development components: academics, athletics, personal lifestyle, career, and community service.

## MISSION STATEMENT

Central to the mission of La Salle University and the Athletic Department is the opportunity for all student-athletes to experience and participate in a well-rounded educational program. The mission of the Academic Support Services for Student-Athletes office is to provide appropriate academic and personal support for all student-athletes through academic advising, educational programming, and the utilization of campus resources to ensure timely completion of an academic program of studies. Additionally, it is the Academic Support Services mission to provide University, Conference and NCAA academic-athletic eligibility information that pertain to student-athletes as they participate in a Division I intercollegiate athletic program.

## CORE VALUES

### Quality Academic Services & Personal Support

It is our role to provide leadership and comprehensive academic programming for all student-athletes.

### Timely Graduation

It is our expectation that La Salle University student-athletes complete their educational requirements for graduation within the same time frame as any other La Salle student on campus.

### Academic Integrity

It is understood that all staff of the Academic Support Services office hold themselves to the highest standards of honesty, fairness, and professional conduct through compliance with all policies, rules, and regulations of La Salle University, the Atlantic 10, the MAAC and NCAA.

### Responsibility

It is our role to provide an environment where student-athletes become involved in their own academic planning and be held accountable for their actions and decisions.

### Diversity

We embrace and respect the value of diverse experiences, backgrounds, thoughts and perspectives so that all people are heard.

### Communication and Teamwork

We understand the need for teamwork and cooperation and recognize the importance of timely and accurate communication with faculty, staff, head coaches, administration, and student-athletes.

### Professionalism

It is our role to continuously improve and to be leaders on the La Salle University campus.

*Russell Musbinsky works with women's basketball players, Monica Garrido Sanz (left) and Meghan Wilkinson.*

### Fiscal Integrity

It is our role to operate a fiscally sound academic support program and to maximize the monies allocated to our yearly operating budget.

## ACADEMIC SUPPORT SERVICES

### Academic Advising & Monitoring of Academic Progress

Academic counselors work closely with student-athletes from the time they arrive on campus until the time they graduate and leave the university. Academic counselors work closely with other university advisors to assist you in the areas of academic planning, goal setting, class schedule building, dropping and adding classes, choosing majors, and understanding degree requirements. They also help you understand La Salle and NCAA academic policies that affect your academic progress and your athletic eligibility.

### Study Hall Program

Study hall is a monitored and structured study environment where student-athletes work individually on their class assignments or with specific tutors. During study hall hours, student-athletes are not permitted to go to the computer lab or library. Each night at study hall, two staff members are present to answer any questions you may have or to assist you with any difficulties you may be encountering. At study hall, you can also participate in study skills seminars that are conducted during each

semester. Study hall is required for all new student-athletes (this includes transfer students) and continuing students-athletes who have a cumulative grade point average below 2.33. Student-athletes are usually held accountable for two or three nights of study hall each week and are expected to attend on a consistent basis. Weekly attendance reports are promptly given to all head coaches.

## Tutoring Program

The Tutoring Program is a major component of the Academic Support Services office. Tutors are typically third and fourth year students; while some are graduate students. A specific group of tutors is hired by the Athletic Department, while other tutors are utilized from other campus academic services (Writing Center, Math Lab, etc.). Tutors can help you with specific course content and/or specific study strategies that can improve your learning. Tutoring is available in virtually all core classes including mathematics, natural and physical sciences, social sciences, and the humanities. It is available to all student-athletes, in all sports, and is free of charge.

## Educational Programming

Throughout the academic year, Academic Support Services will conduct and coordinate a variety of educational programs. These are in the form of seminars, guest speakers, workshops, town hall meetings, individual team meetings, specific age group sessions (freshmen, seniors, etc.), and department wide programs. Programming ideas are often suggested by student-athletes themselves or the student-athlete leadership group called ARC (Athlete Relations Council). Subjects that have been addressed include the following: alcohol education, sexual assault and responsibility, career development, nutrition, study skills, and time management.

## Student-Athlete Orientation Meetings

At the beginning of every academic year, all student-athletes attend Student-Athlete Orientation meetings. Usually these meetings are done individually with each sports team. At these meetings student-athletes learn about La Salle University, the Athletic Department, and the Academic Support Services office. Additionally, student-athletes complete the necessary NCAA and La Salle athletic participation information and thoroughly review the Student-Athlete Handbook.

## Instructor Communication

The staff in the Academic Support Services office communicates on a regular basis with university faculty and staff. The purpose of this communication is to monitor the academic performance of our student-athletes and to be alert to any academic concerns or difficulties they may be experiencing. Academic information obtained from this communication comes in the form of what is called Academic Progress Reports. These academic reports are completed twice each semester and are shared with you and your head coach.

## Travel For Athletic Competition

The staff also communicates with faculty concerning travel due to athletic competitions. At the beginning of each semester each head coach provides our office with a team schedule and a travel schedule for the upcoming season. When an away contest is approaching, the student-athlete sees an advisor in the Academic Support Services office to obtain a Class Absence Form. Once the form is completed, the Academic Support Services office prepares office excuse letters for the student-athlete to provide to each instructor.

## WOMEN'S BASKETBALL SHINES IN CLASSROOM

Being among the nation's best in the classroom has become the norm for the women's basketball team the last five years. During this time period, the Explorers have finished in the top seven each year, including being the nation's best twice.

In the 2000-01 season, La Salle posted a 3.436 GPA, which ranked third in the nation. Senior Jen Zenszer was named to the Verizon Academic All-American Third Team, while nine Explorers were also named to the Atlantic 10 Commissioners Honor Roll.

<u>Year</u>	<u>GPA</u>	<u>National Rank</u>
2000-01	3.436	3rd
1999-00	3.465	1st
1998-99	3.508	2nd
1997-98	3.345	7th
1996-97	3.500	1st

The coaching staff has also recognized the academic achievement. According to Head Coach John Miller, "I couldn't be more proud of our players in the classroom than I already am. The girls give me 100% in the classroom as well as on the court. It's a real honor to be ranked year in and year out with the top colleges in America. It's a testament to how hard our players work."

## RUSSELL MUSHINSKY

## DIRECTOR OF ACADEMIC SUPPORT SERVICES

Russell Mushinsky enters his first full year as the Director of Academic Support Services for Student-Athletes at La Salle University.

At La Salle, Mushinsky is responsible for providing and coordinating appropriate academic support and counseling for all student-athletes.

He is also in-charge of monitoring the student-athletes academic progress, particularly as it relates

to issues of graduation and NCAA eligibility.

Before arriving at La Salle, he spent five years as an Athletic Academic Counselor at the University of Iowa.

At Iowa, Russell's responsibilities included advising and assisting five intercollegiate athletic teams.

Russell started his career in Academic Support Services while pursuing his master's degree at Penn State University. During his two years at Penn State, he was an Academic Counseling Assistant. He also held other responsibilities, including Assistant Tutor Coordinator and Assistant to the

Director.

Mushinsky graduated from Penn State University in 1992 with a Bachelor's of Arts degree in General Arts and Sciences. He received his Master's of Education degree in Counselor Education from Penn State in 1995.

At Penn State, Russell played baseball for the Nittany Lions. He is a four-time All-Conference selection, including being named to the First Team All-Atlantic 10 in 1989 and 1990. In 1990, he was also named an Honorable Mention All-American.

Originally from Plaines, PA, Russell is currently single and lives in Elkins Park, PA.

# ATHLETIC FACILITIES

The Hayman Center is home to a 1,700 seat swimming pool and diving well, basketball, racquetball and squash courts, and a weight/fitness room.

The arena, which includes three regulation-sized courts, reopened as the Tom Gola Arena in Hayman Center in the summer of 1998.

It was recently renovated for \$6.3 million to seat 4,000 people for basketball/volleyball and convocations.

In 1995, La Salle moved into the prestigious Atlantic 10 Conference for 21 out of 23 Division I sports and became a member of the MAAC Football Conference in 1999.

Hayman also houses the refurbished Hall of Athletes, which honors La Salle University athletes, coaches and administrators.

The mezzanine level is used for

conferences as well as alumni and fundraising meetings. It also houses the refreshment facilities during basketball games and other functions.

Hayman Center also houses the Athletic Department and administrative offices for all sports.

Besides the five teams that play in the Hayman Center and Tom Gola Arena, La Salle University also has fine facilities for its other sports teams.

McCarthy Stadium is the home of the Explorers for football games as well as soccer and lacrosse games.

In 1997, La Salle joined the Metro Atlantic Athletic Conference for football and are a part of NCAA college football in Division I-AA. Some of the teams that La Salle has hosted include Fairfield, Duquesne and Monmouth as well as other top com-

petition in the I-AA ranks.

The football team and women's softball team play on the Good Shepherd Field on La Salle's campus as well. The football squad uses the field as a practice facility during the softball offseason.

The men's baseball team and women's field hockey share Hank DeVincent Field to play their regular season home games.

The Belfield tennis courts were resurfaced in 1999 and are the home courts to the La Salle Explorers men's and women's tennis teams and are open for public recreation.

## BR. JOHN KANE, FSC

Brother John Kane came to La Salle University in September of 1999 after 19 years working at the high school level. Brother John is a 1980 graduate of La Salle with a BA in Political Science. He also has an MA in Religious Education from La Salle.

As the Director of Athletic Operations Brother John oversees all of the athletic facilities on campus. He is also respon-

sible for the scheduling of the facilities for La Salle teams as well as outside groups seeking to use La Salle for their events. In addition all event management requirements come under his office.

Prior to coming to La Salle, Brother John spent time at three different high schools. He began his career at Seton-LaSalle High School in Pittsburgh as a teacher and a coach. After two years, he moved to Archbishop Carroll in Radnor, PA where he continued his teaching and coaching career. He also did a stint as Dean of Students at Carroll. After Carroll Brother John moved on to West Philadelphia Catholic High School. In his

eight years there he was a teacher and Athletic Director. Kane served a term as Vice Chairman and then Chairman of the Philadelphia Catholic League Board of Directors. During his term as Chairman the Boys Catholic League and the Girls Catholic League successfully merged from two separate leagues into one league. Brother John was also the League Moderator for Catholic League Basketball during his term as Athletic Director.

Brother John brings to the Explorers his experience and enthusiasm and is excited about returning to La Salle.

## STRENGTH AND CONDITIONING

A solid Strength and Conditioning program is a necessity in the competitive world of college basketball. A critical component to on-court success is the work that is put in off the court.

David Van Dyke is his first year as the strength and conditioning coach for all of La Salle's 22 varsity athletic programs. He has tailored a strength and conditioning program that has been designed to coincide with the style of basketball that women's head coach John Miller strength and conditioning coach for all of the Athletic Program, has designed a program styled after John Miller's style of basketball. This program helps the women improve on their levels of performance, while reducing the chance of injury.

La Salle University's Strength and

Conditioning program is designed to maximize the student-athletes performance. This is accomplished through the use of orthopedically safe, physiologically sound exercises and comprehensive total body training.

By systematically and progressively overloading the muscles trained and holding each athlete accountable for each repetition of each exercise of every workout, the program ensures consistent strength gains.

The program maximizes the time spent in the weight room and on the court preparing for the competition by making the workouts purposeful in that they are a means to an end

not an end in itself.

The focus is on teaching the athlete to produce a maximal effort repeatedly for a given period of time

## ATHLETIC TRAINING

Behind all great Athletic Programs is a great Athletic Training Staff. At La Salle University, the goal of the Athletic Trainers is to return the athletes to activity not only quickly, but also safely.

The Explorers Athletic Department has three top-notch certified full-time Athletic Trainers as well as assistance from the NovaCare Rehabilitation group.

The Athletic Trainers are on staff to cover all of the Explorers home games and practices. They also travel with the more high-risk

injury sports, which include Men's Basketball, Women's Basketball, Football, Softball, Lacrosse and Field Hockey.

La Salle's Athletic Trainers work with team physicians, student health, and the counseling center to help oversee the well being of all student-athletes.

The University is associated with the Albert Einstein Sports Medicine Program that provides La Salle with the team physicians. Physician clinics occur every Monday at Albert Einstein Hospital, which is up the street from the University, and on campus at the Hayman Center Training room on Thursday.

The La Salle University Athletic Department established a partnership with NovaCare Physical Rehabilitation. NovaCare has become the "official provider" of rehabilitation for student-athletes at La Salle. All

rehabilitation is performed in house by La Salle University staff and NovaCare Physical Therapists.

## Treatments/Exercise Include:

- Range of Motion and Balance Training
- Lifting/Work Simulation
- Massage Therapy and Strengthening Exercise
- Postural Training and Aquatic Exercise
- Individual Treatment Programs

## BILL GERZABEK

Bill Gerzabek is in his 13th year as Head Athletic Trainer. In this time, Bill has been at the helm of some major changes to the La Salle University Athletic Training Room.

Prior to coming to La Salle in 1988, Bill served as Assistant Athletic Trainer at Georgetown University in Washington, D.C. for two years. This followed a Graduate Assistantship at the College of William and Mary in Williamsburg, Virginia in affiliation

Since coming to La Salle, Brennan has enhanced many areas within the Athletic Department, including the formation of the Explorer Club, a fundraising/booster organization, and the introduction of an active Corporate Partners/Athletic Sponsorship Program. Membership in the Explorer Club has more than doubled during his tenure. Corporate partnerships have been established with many local businesses and corporations. During his tenure, the Philadelphia Big 5 has been rejuvenated, the Tom Gola Arena has been dedicated, the Alumni Hall of Athletes' Program has been expanded and many other initiatives have been introduced in an effort to enhance the overall program.

Under Brennan's guidance, La Salle Athletics has enhanced its commitment to Youth Outreach and Community Service. La Salle was selected, by the NCAA, as one of only 20 schools to participate in a national program with the Big Brothers/Big Sisters Organization (Campus Pals). La Salle has also been recognized by the National Consortium for Academics and Sport for having

one of the most active and expansive outreach programs in the country.

Dr. Brennan serves as a member of the Executive Committee for the Philadelphia Sports Congress, and as a member of the Board of Directors for the Big Brother and Big Sister Association of Philadelphia. He has served as Chair for the Atlantic 10 Conference Post-Graduate Scholarship Committee and the Television Committee, and as a member of the Atlantic 10 Women's Basketball Committee, and the Student-Athlete Advisory Council. In addition, annual athletic contributions increased three-fold, while \$6 million was raised for a new field house and administrative complex.

Prior to his tenure as the Athletic Director at San Jose State, Brennan was the Director of Athletics at Loyola College in Maryland from 1986-90.
